THE MILWAUKEE AMATEURS' RADIO CLUB.

Traffic Rules and Regulations.
Effective Nov. 8, 1920.

Stations within 10 miles of the city hall shall be considered as local stations.

Operating hours:
6 A.M. to 7 P.M. Free Air.
7 P.M. to 10 P.M. Local Traffic only.
10 P.M. to 6 A.M. DX Traffic only
Sunday Mornings 6 A.M. to 11:30 A.M. DX Traffic only.

No tuning or testing between 7 P.M. and 6 A.M. (11:30 A.M. Sundays) The power input for local work shall not exceed 200 watts except during excessive atmospherics, and at all times the minimum of power shall be used for successful communication.

When it is desired to call a DX station the following system will be used, to determine whether you are liable to interfere with anyone.
DX DX AW ? AR 9 -- K (transmitted once) - meaning I wish to call a DX station, is there anybody working?
If no one answers your call after 2 minutes proceed to call your station in the usual manner.
If there is anyone working he will answer with 9 -- de 9 -- IM DX AS 15 AR - meaning I am working DX please wait 15 minutes.

When you have finished your work sign off in the usual manner using SK.

Any violater of the above rules and regulations will be fined not less than 25 cents for the first offense and accordingly for each offense thereafter.

Form of Message.
Number of msg., place of origin, filing date, call letters of station received from prefixed by 'via', address (with routing where necessary), body, signature. The double break shall be used before and after the body of message.

All A.R.R.L. members are referred to the February 1920 QST for A.R.R.L. Traffic Rules and Regulations.
All non-members are requested to co-operate with the Club by observing the above Rules and Regulations.
